

AREA LIGHT CONTRACT

OTSEGO ELECTRIC COOPERATIVE, INC.

The Otsego Electric Cooperative, Inc. shall furnish, install at a location agreeable to both parties, own, operate and maintain a photoelectrically-controlled area light, complete with suitable pipe bracket. In the event the Cooperative is required to furnish a pole, the member shall pay in advance, a pole charge as set forth in Cooperative Policy No. 312, Pole Type Service Installations.

Upon request by the member, the Cooperative shall change the location of the lighting unit, provided a proper support is furnished and the member agrees to pay the Cooperative for costs incurred in making such change.

The member shall notify the Cooperative office whenever the lamp shall become extinguished or out of service for any reason, and the Cooperative shall replace the lamp or make necessary repairs with reasonable promptness during regular business hours, Monday through Friday.

The member shall grant right-of-way access to the unit and pole to permit any tree trimming required to install and maintain the photoelectrically-controlled security light.

The member agrees that the unit, including the pole and conductors, may be moved at any time by the Cooperative upon failure by the member to pay the charges set forth in the Cooperative's rate schedule #1.

Further, the member agrees to protect the unit from damage so far as he/she is able and to pay for any willful or negligent damage done to same. The contract is subject to cancellation in the event maintenance or lamp replacement become excessive due to vandalism or other causes.

The minimum period of this Contract shall be for one year for which the member agrees to pay as set forth, and this Contract automatically renews itself upon anniversary date for an additional year, unless the Cooperative shall have been notified to remove the unit prior to the expiration date. The unit, as installed, remains the property of the Cooperative and will be removed at the member's request upon the anniversary date of this Contract.

INSTRUCTIONS FOR INSTALLATION OF
AREA LIGHT

****Please be sure to furnish us with your account and/or meter numbers.**

***Please give a complete description of what pole you would like the light installed on (include pole numbers if possible) and what direction you would like it to face. Space is provided below for a description and/or a sketch. Or, if you prefer, contact the office at (607) 293-6622 to speak with a co-op representative.**

***Remember that we can only install area lights on co-op owned poles or consumer owned meter poles.**

***If there is not a pole in the vicinity where you would like the light then it may be possible to have a pole set at a cost of \$250.00 + tax with an additional cost of \$140.00 +tax for an anchor if necessary. In the event that you want a pole set please contact the office to make an appointment for our engineer to come out to the site and discuss pole placement.**
